AN ON-TIME SOLUTION THAT STRENGTHENS RETAIL PARTNERSHIPS.

To build and enhance important relationships with retailers, you need a partner who can best represent you and your brand. With OD's Guaranteed, On Demand Delivery, you can be assured of meeting shrinking delivery windows while enjoying OD's best-in-class service, low claims rate and real-time, on-line tracking—services that are especially helpful for special rollouts, product launches or seasonal displays.

PROACTIVE, PERSONAL MANAGEMENT.

A personal Customer Service Representative assigned to your account gives you single-point access for details about your time-sensitive delivery. Your CSR will also proactively communicate any delays or disruptions that might occur so that you can ask for extensions, eliminating possible compliance issues.
